Photographs

The organisers of Holiday Funweek sometimes take photos that could be used for the B5 Churches websites, Parish magazines or Social Media feeds. This is important to us as it helps us sell the benefits of the activities that we run for the youth in our community. Group leaders may also take a group photo which is only given to the children in each group and is then deleted. Please confirm your consent, using the boxes below. The default is YES, if you are not happy for us to use/take these photo's of your child, please click in the box

Other information

Please let us know the name of any other child that you would like your child to be placed with. We will try our best but due to the high number of children, we cannot promise this will happen.

Select the first name from your drop down list. Please read through the paragraph on use of photos and check the boxes as appropriate to your specific requirements. Note that the default position is YES, so you'll need to check if you don't want photos taken of your child.

Use the drop down options, you only need to select Monday AM for all of the mornings, as your child's group will not change. We are only offering sport as an afternoon activity this year, hence there is only one option.

Please select the Party or Disco on Thursday afternoon. Reception to Yr2 for Party and Yr3 and above for the Disco. Use the information box at the bottom to tell us any other information, i.e. 'can she please be in the same group as Jenny Smith'. We will review the comments and come back to parents in due course. Please note that we cannot guarantee that requests will be met, as we need to remain mindful of the B5 Safeguarding policies.

Once complete, click on CREATE.

Please repeat the above process for any children who are attending Holiday Funweek this year.

IF YOU EXPERIENCE ANY ISSUES, PLEASE E-MAIL b5holidayfunweek@gmail.com or call on 07956 753353. Thank you.
