Please review the drop-down options and select which group you wish to volunteer for. We will liaise with volunteers post registration regarding whether you would like to co-ordinate a group or just be a helper. NB: Please remember to select the day's that you are available to help on.

Please note that, where possible, we try to keep children away from groups where their responsible adult/sibling will be working to ensure that both have a great week.

Once you have finished, select CREATE and repeat the process for all Adults & Teens attending this year's Holiday Funweek.

Once you have finished, click on the Pink Basket at the top of the page to proceed to PayPal for payment.
